

IIDA Northern Pacific Chapter NCIDQ Reimbursement

If you have passed all three sections of the NCIDQ exam in the last two years, you may be eligible to apply for NCIDQ tuition reimbursement from the Northern Pacific Chapter. Please see the guidelines and application form for more information.

Guidelines

Only IIDA Northern Pacific Chapter Associate Members in good standing as of May 1, 2023 are eligible to participate. Members who have taken and passed all required parts of the exam resulting in NCIDQ Certification may request consideration for reimbursement. Members need not have passed all sections at the same time, but must have passed the last section between Spring 2021 and Spring 2023.

Maximum reimbursement will be \$1,350. In the event that a Member's firm/employer has paid or reimbursed a portion of the cost of the exam, the IIDA Member may still apply for reimbursement for the portion they paid out of pocket, including travel expenses.

Members must forward their application and documentation (NCIDQ notification of passing and proof of payment/receipts) confirming the above-listed items via email to IIDA NPC's Immediate Past President; by 5:00pm PDT on Thursday, June 22, 2023.

lidanpc.pastpres@gmail.com

Upon receipt of the completed documents, the IIDA Member's application will be placed with all others received by the stated deadline. IIDA NPC will award financial assistance in full to (1) or partially to up to (3) IIDA NPC Members. The process for determining the recipients will be a lottery system. Members who have been selected will be announced via e-blast in July 2023.

This award is sponsored by SABArchitects.
